Additional Information

We are a small, fee-for-service clinic, meaning that we collect payment at the time of service (cash, credit card, check, flexible savings accounts [FSA], and health savings accounts [HSA]). Those patients who might get some reimbursement can independently submit our receipt to their insurance companies, or we can do it for them as a courtesy.

*Our Summer Specials start from June 15th, till August 15th of the same year. You must be an active student. Visits must be purchased in the period mentioned above in the bundle of 10 at \$110 per visit; we will give you the eleventh visit for free. Visits are valid for four months after the purchase date. ** Physical / Occupational therapists will not be with you, but we will watch you and correct your exercises. ***No note from the doctor is needed. Rehabilitation Center of Miami and Reaction Rehab operates under the same management.
